

ITEM 7

MANAGER'S REPORT NO. 17

COUNCIL MEETING Mar. 5/72

7. Re: Burnaby Local Improvement Construction Bylaw No. 7
1972, Bylaw No. 6104

On 8 May 1972, Council passed the above mentioned By-law to permit the construction of asphaltic paving 36 feet wide with curb on south side and 6 foot curb sidewalk on north side - Government Road from Piper Avenue to Brighton Avenue.

The abutting property owners voiced objection to this work and consequently Council initiated two new works:

28' pavement with curbs both sides with allowance for local improvement sidewalk charges currently in effect - Government Street from Phillips Avenue to Piper Avenue, with provision for bus pullovers

and

28' pavement with curbs both sides and with a separate 4' sidewalk on north side of Government Street from Piper Avenue to Brighton Avenue with provision for bus pullovers.

By-laws for these new works will be submitted to Council shortly.

RECOMMENDATION

THAT a by-law be brought down to repeal By-law No. 6104.
