MANAGER'S REPORT NO. 35  
COUNCIL MEETING May 7/73

8. Re: Street Lighting Frontage Tax Bylaws

Concurrently with the passage of local improvement ornamental street lighting by-laws, it becomes necessary to enact a by-law to impose frontage taxes for supplying street lighting in excess of that supplied at the expense of the Municipality at large. The affected works are as follows:

<u>Schedule No.</u>	<u>By-law No.</u>	<u>Levy</u>
1	5930	\$ 19,464.00
2	5992	1,092.17
3	6195	3,302.51
		<u>\$ 23,858.68</u>

RECOMMENDATION

THAT a frontage tax by-law be brought down to impose the above listed taxes.
