Dear Mr. Shelley:

Re: Our conversation this date

Mrs. Rennie phoned me on January 25th to read the text of the letter that she planned to send to Council and to see if I had any objections. Since her concern related to bed shortage and not treatment, I made the suggestion that she add a P.S. to her letter to clarify this point.

Mrs. Rennie phoned me again today to tell me she heard the news about 260 new acute beds and hoped there would be some for children. I told her that I had received a copy of her letter that she had sent to Council and thanked her for the P.S. She was pleased to learn that our program provided for 50 - 60 pediatric beds.

Yours sincerely,
BURNABY GENERAL HOSPITAL.

E. F. Macdonald,
Administrator.
