TO: MUNICIPAL MANAGER  
FROM: MUNICIPAL ENGINEER  
RE: INTERIM STREET LIGHTING

NOVEMBER 5, 1974

The following locations are being submitted for your consideration for the installation of 300 watt mercury vapour Hydro lease lights.

Cariboo Road - Cariboo Road @ Erin Avenue intersection.  
This light is required to provide intersection lighting.

Braemar Avenue - 5900 Block  
This light is required to provide illumination for a dead end street.

RECOMMENDATION:

THAT the above installations be approved.

LQF:wlh  
cc: ( ) Traffic Supervisor

  
MUNICIPAL ENGINEER
