REMARKS:

Major crimes during September included the shooting of a Burnaby woman in her home, for which a man is presently before the courts facing a murder charge.

Three armed robberies netted culprits a total of approximately \$500.00 - one was armed robbery from a person, and two involved corner grocery stores. A fourth armed robbery was thwarted when the attendant of an eating establishment refused to hand over the money and kicked the culprit in the groin. One report of rape was received during the month and is presently still under investigation.

Radar enforcement was restricted during the month as a result of breakdown of radar equipment. Repairs could not be carried out for some time awaiting parts. The last Municipal-owned set was recently taken out of service and provision made in estimates for a replacement.

We were down to 7 members under contract strength in September.
