PLANNING DEPARTMENT
10 APRIL, 1974

SUBJECT: D.L.187
RIGHT-OF-WAY FOR GREATER VANCOUVER
SEWERAGE AND DRAINAGE DISTRICT

Easements have been requested by the Greater Vancouver Sewerage and Drainage District over certain lots owned by the Corporation as shown on the attached sketch. These easements are necessary to protect a sewer being constructed by this agency. The sewer location reflects the eventual alignment projected for Scenic Drive. Since it is not feasible at this time to commence road dedication proceedings, the Planning Department would recommend that Council grant authority for these right-of-way agreements to be executed.

RECOMMENDATION

THAT Council grant authority to the execution of the above noted right-of-way.

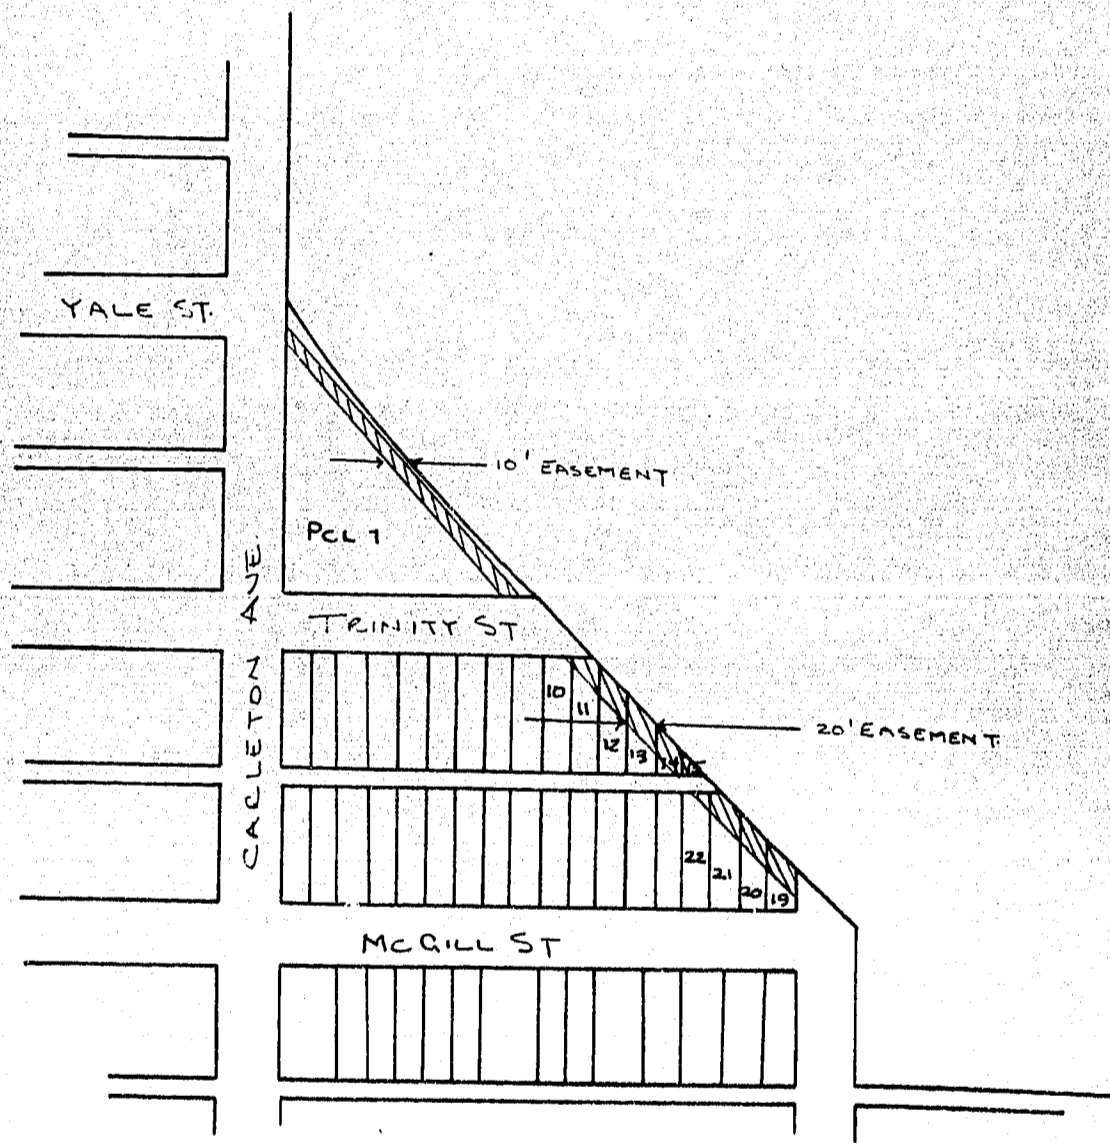

Respectfully submitted,

A. L. Parr,
DIRECTOR OF PLANNING
