

12. Re: Cost Sharing Proposal for Improvement to Boundary Road
From Hastings Street to Charles Street

Following is a report from the Engineer regarding a proposal for the Municipality and the City of Vancouver to share in the cost of a local improvement project on Boundary Road.

RECOMMENDATIONS:

THAT Council approve the proposal to have the Municipality pay 50% of the cost of the subject local improvement project; and

THAT the appropriation of \$51,500 for the Municipal share be approved as a Special Road Project (Code 15-06); and

THAT the decision of Council be conveyed to the City of Vancouver.

TO: MUNICIPAL MANAGER

FEBRUARY 13, 1974

FROM: MUNICIPAL ENGINEER

RE: BOUNDARY ROAD - HASTINGS STREET TO CHARLES STREET (VANCOUVER SIDE).

The Engineering Department has received a formal application from the City of Vancouver to share in the cost of proposed improvement to Boundary Road from Hastings Street to Charles Street at an estimated cost of \$103,000. (copy attached).

It has been a long standing policy of the Councils of Vancouver and Burnaby to share on a 50/50 basis the cost of all street improvement projects on Boundary Road.

This Department became aware of the project on January 30, 1974 and included the sum of \$51,500. in the Department's Special Roads Projects (Code 15-06) in the Provisional Budget.

Recommendation:

THAT (a) The approval of Council be obtained to share 50% of the cost of this project.

(b) The appropriation of \$51,500. for the municipal share be approved as a Special Road Project (Code 15-06).

(c) The decision of Council be conveyed to the City of Vancouver.

Municipal Engineer,
Corporation of the District of Burnaby,
4949 Canada Way,
Burnaby, B. C.

Dear Sir:

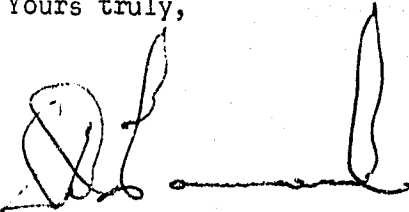

IMPROVEMENT OF BOUNDARY ROAD -
HASTINGS STREET TO CHARLES STREET

We have received Council approval and have called tenders for the improvement of Boundary Road from Hastings Street to Charles Street.

The estimated cost of this improvement is \$103,000.00. Would you please inform us if you are prepared to share this cost equally with us in accordance with our previous agreements on Boundary Road.

The improvement provides for the construction of P.C. Concrete curbs and gutters on both sides of the west roadway with an asphaltic concrete pavement developed to a 35-foot width between curb faces.

Yours truly,

Assistant City Engineer,
Streets & Structures

WCS/pfd
