Proposed Lane Truncation - 3721 Georgia Street (Funaro)

Appearing on the Agenda for the January 21, 1974 meeting of Council are letters from Mrs. Gladys Fraser and Mrs. Elma Blackburn regarding a lane that abuts property at 3721 Georgia Street that is owned by Mr. B. Funaro.

Council adopted the following recommendation when this matter was last considered on December 27, 1973:

"THAT the Land Agent be authorized once again to attempt to negotiate with Mr. Funaro for the acquisition of a 20 by 23 foot truncation ... and failing this the Municipal Council authorize expropriation if necessary for the acquisition of the truncation in order to restore the pavement in a manner which will permit normal turning movements at the lane intersection."

Negotiations are continuing at this time.

RECOMMENDATION:

THAT a copy of this report be sent to Mrs. Gladys Fraser and Mrs. Elma Blackburn.
