

ITEM 21

MANAGER'S REPORT NO. 61

COUNCIL MEETING Sept. 23/74

Re: Letter dated September 18, 1974 from R.R. Gardner
Burnaby Outdoor Education Association
Request for Permission to Develop Nature Trails

Appearing on the Agenda for the September 23, 1974 meeting of Council is a letter from Mr. R.R. Gardner, Project Director for the Burnaby Outdoor Education Association, regarding a proposal to develop trails on Municipal property under the Local Initiative Program. There was not sufficient time to prepare a report because the correspondence from Mr. Gardner was received shortly before noon on Thursday; Mr. Gardner, while aware of the fact that Council and the Parks and Recreation Commission would probably not consider his proposal without a report, nevertheless requested that his letter be placed on the Agenda as soon as possible, and we have complied accordingly.

Staff is aware of the October deadline by which an L.I.P. application must be submitted, and will therefore endeavour to complete a report on this matter in the immediate future.

RECOMMENDATION:

THAT a copy of this report be sent to Mr. R.R. Gardner.
