

ITEM 22

MANAGER'S REPORT NO. 27

COUNCIL MEETING April 8/74

Re: 1974 Annual Budget

Submitted herewith for Council's consideration is the 1974 Annual Budget.

It is suggested that Council set meeting dates for the review of the Budget as a budget must be adopted on or before May 15, 1974.

It would also be appreciated if Council would advise as to what Boards, Commissions and Department Heads it feels should be interviewed so that the appropriate arrangements can be made.
