RE: TENDER FOR TRUCKS

Tenders for the subject trucks were received up to 3:00 p.m. local time Thursday June 20th, 1974.

The list of equipment included:

- 10 Half - Ton Pickup Trucks
- 1 Econoline Van-Automatic
- 1 Econoline Van
- 2 Single Axle Cab & Chassis Trucks - Six Man Crew
- 1 Station Wagon

In addition to our advertisements in the Vancouver Sun and Journal of Commerce, numerous sets of tender documents were mailed to possible suppliers.

The subject vehicles have been included in the 1974 Capital Budget.

All tenders were opened in the presence of Messrs. Constable, Hagen and representatives of the firms bidding.

Tabulations of the tenders received are attached.

The Station Wagon is for use in the Fire Department, all other vehicles for service in the Engineering Department. The respective Department Heads concur with the recommendations.

Re: Tender For Trucks

The lowest bids numeral 6 & 7 on the tabulation for ten - half ton trucks do not conform to the specifications. For example Brasso Datson Limited is offering vehicles with a standard transmission and to the tender submitted by Brentwood Imports Ltd. it is necessary to add a number of extras. Their tender total amended would be \$36,771.00. The low bid #5 submitted by Musgrove Ford Sales Limited for \$35,678.48 offers a very poor delivery; at present they estimate approximately 60 days. They also advise that they are unable to supply parts and maintenance manuals as requested. The second lowest complete tender #4 submitted by Rod McCallum Sales Limited is \$17.06 per vehicle higher, however, the trucks are in stock and can be delivered within 15 days. In addition, they will provide parts and maintenance manuals for the vehicles.

RECOMMENDATIONS:

1. Ten Half-Ton Pickup Type Trucks

THAT the tender as submitted by Rod McCallum Mercury Sales Limited for the sum of \$35,849.10 including applicable taxes for the supply of 1974 model Ford Courier trucks be accepted.

2. One Econoline Van (Automatic)

THAT the low tender as submitted by Musgrove Ford Sales Limited for the sum of \$4,824.59 including applicable taxes for the supply of a 1974 model Ford E 200 Window Van be accepted.

3. One Econoline Van (Standard)

THAT the low tender as submitted by Rod McCallum Mercury Sales Limited for the sum of \$4,046.18 including applicable taxes for the supply of a 1974 model Ford E 200 Window Van be accepted.

4. Two Single Axle Cab & Chassis Trucks

THAT the low tender as submitted by Rod McCallum Mercury Sales Limited for the sum of \$10,271.52 including applicable taxes for the supply of two 1974 model Ford F -- 350 Trucks be accepted.

5. One Station Wagon

THAT the low tender as submitted by Cedarvale Motors Limited for the sum of \$4,381.38 including applicable taxes for the supply of a 1974 model Matador Station Wagon be accepted.
