

ITEM 19
MANAGER'S REPORT NO. 35
COUNCIL MEETING May 12/75

Re: Street Light Installations

Following for your approval is the Municipal Engineer's report covering suggested street light installations.

RECOMMENDATION:

1. THAT the installations be approved.

* * * * *

8 May, 1975

TO: MUNICIPAL MANAGER
FROM: MUNICIPAL ENGINEER
SUBJECT: INTERIM STREET LIGHTING

The following location is submitted for your consideration for the installation of two (2) only 300 watt mercury vapour Hydro lease lights.

Irmin Street: Between Buller Avenue and McPherson Avenue.
These lights are required to improve mid-block lighting.
The 700' interval warrant is met.

RECOMMENDATION:

THAT these installations be approved.

MUNICIPAL ENGINEER
