PLANNING DEPARTMENT
OCTOBER 9, 1975

TO: MUNICIPAL MANAGER
FROM: DIRECTOR OF PLANNING
RE: CORRESPONDENCE FROM MR. A. O. KORNMAN - PROPOSED GILLEY
ALTERNATE AND STRIDE AVENUE LAND USE

Appearing on the Council agenda is a letter dated October 3, 1975 from Mr. A. O. Kornman in regard to an alternate route to Gilley Avenue for truck traffic and the proposed land use of the Stride Avenue area.

With respect to the alternate to Gilley Avenue, a route has been earmarked for inclusion within the Roads Money By-law which is to be presented to the electorate on November 15, 1975 for approval. However, prior to that date a brochure outlining a description of each of the six proposed projects will be distributed to each household in Burnaby. Also available at Municipal Hall will be more detailed information relating to the individual projects.

As indicated by Mr. Kornman, Council consideration of the Stride Avenue Development Plan was deferred pending the location of an alternate truck route to Gilley Avenue. A report seeking adoption of appropriate land use for the area will be submitted to Council for its consideration and public discussion.
