

ITEM 12  
MANAGER'S REPORT NO. 81  
COUNCIL MEETING Dec. 15/75

Re: NOTICE OF MOTION  
ART OBJECTS IN BUILDINGS

Appearing on the Agenda for the December 15, 1975 meeting of Council is a Notice of Motion on the possibility of enacting a By-law to ensure the introduction of art objects in certain buildings.

The Municipal Solicitor advises that there is no legislation at the present time which would permit the Municipality to require owners of buildings to provide art objects by a percentage impost on the cost of the buildings.

This is for the information of Council.
