

ITEM 13
MANAGER'S REPORT NO. 39
COUNCIL MEETING May 26/75

Re: Underground Conveyor System from Leased Water Lot
to 7500 Barnet Highway
Kask Bros., Ready Mixed Concrete Ltd.

Council, at its meeting of May 12, 1975, heard a representative of Kask Bros. and received a letter dated May 8, 1975 from the firm requesting permission to construct the subject conveyor system. The following motion was made but not voted upon by Council:

"That Council grant permission to Kask Bros. Ready Mixed Concrete Ltd. to construct an underground conveyor system from their leased water lot to 7500 Barnet Highway subject to any legal impediments and the submission of a suitable plan of development and that the necessary rezoning procedures be initiated."

Further consideration of the subject was deferred for two weeks and the matter was referred to the Planning Director and the Parks and Recreation Commission for review and comment.

Following is the Parks and Recreation Administrator's report which advises that further research is required and that a report will be submitted to Council at its meeting of June 9, 1975.

This is for the information of Council

RE: UNDERGROUND CONVEYOR SYSTEM FROM LEASED WATER LOT
TO 7500 BARNET HIGHWAY - KASK BROS. READY MIXED CONCRETE LTD.

At its meeting of May 21, 1975 the Parks and Recreation Commission received a report on the proposal for an underground conveyor system submitted by Kask Bros. Ready Mixed Concrete Ltd. The Commission referred the matter back to staff for further information and therefore, is unable to provide Council with its comments at the meeting of May 26, 1975.

The matter will be considered at the next Commission meeting and a report will be submitted for the Council meeting of June 9, 1975.

This is for the information of Council.

Dennis Gaunt,
ADMINISTRATOR.
