TO: Municipal Manager 25 July 1975  
FROM: Chief Librarian  
RE: THE CORPORATION OF THE DISTRICT OF BURNABY BYLAW NO 6689

The proposed bylaw relating to parking at Kingsway Branch Library was prepared by the Municipal Solicitor and has been approved by the Burnaby Public Library Board at its meeting held 17 July 1975. The number of parking spaces available to library users has been reduced by 22 spaces (from 58 to 36) as a result of the construction of a new apartment building behind the library. Although the number of parking facilities will be increased when construction is completed, the present situation has resulted in a number of complaints from readers who are unable to find space to park as both staff parking and public parking are being used by workmen on the construction site, by visitors to Edmonds House and by employees of local businesses as an all-day parking place. The proposed parking bylaw was drawn up after consultation with the Planning and Engineering Departments at the Municipal Hall.

The RCMP Burnaby Detachment, Traffic Section, have confirmed their willingness to enforce this proposed bylaw.

RECOMMENDATION:

THAT Council consider Bylaw No 6689 for adoption.

  
Bryan L. Bacon,  
Chief Librarian.
