MANAGER'S REPORT NO. 64
COUNCIL MEETING Oct. 12/76

Re: TENDERS FOR REFUSE CONTAINERS

Following is a report from the Purchasing Agent regarding tenders for containers that will be required for refuse collection from strata title properties.

This matter is before Council as a result of the following recommendation that was adopted on May 10, 1976:

"THAT Council approve the calling of tenders for refuse containers as soon as drawings and specifications are completed."

If we decide that more units are required, we have ninety days from the date that the order is placed to acquire up to 80 additional containers as more specifically outlined in the report. This flexibility will allow us to adapt our inventory to our requirements on the basis of actual experience that is acquired after the system becomes operational.

RECOMMENDATION:

1. THAT the Purchasing Agent's recommendation be adopted.

TO: MUNICIPAL MANAGER
