RE: STONEY CREEK TRAIL
LETTER FROM MS. W. E. D'ALTROY DATED DECEMBER 2, 1976

Staff have investigated the condition of the Stoney Creek trail as requested. The portion of the trail where it crosses Broadway has never been maintained by this Department. This property is included in our Park Land Acquisition Program but has not been acquired as yet.

With regard to the underpass noted in Mrs. D'Altroy's letter, this is now in place under the Broadway extension and should be usable by next spring after the banks and entryways have been completed and stabilized.

This is for the information of Council.
