

Re: BY-LAW 6627 MUNICIPAL HALL PARKING REGULATION BY-LAW

Council at its meeting of October 27, 1975, awarded a contract for vehicular towing and storage services to Mundie's Towing, Storage and Service Ltd., as low bidder, for a three year period commencing November 1, 1975 and terminating October 31, 1978.

Schedule "A", annexed to By-law 6627, provides for costs of impounding, towing and storage of vehicles from Municipal Hall grounds as follows:

- (a) For the impounding and removal of a vehicle to a place of storage \$ 7.00
- (b) For attending to remove an impounded vehicle but before it is removed the owner or person in charge thereof requests that the vehicle be delivered to him 5.00
- (c) For the storage of a vehicle 1.25 per day for the first three days and 2.50 per day thereafter

With the general increase in cost of services over the period of the prior three-year contract, the Municipality's current contract with Mundie's Towing reflects an increase in impounding, removal and storage costs which requires that Schedule "A" of By-law 6627 be amended as follows:

- (a) For the impounding and removal of a vehicle to a place of storage \$ 10.00
- (c) For the storage of a vehicle 1.50 per day for the first three days and 3.00 per day thereafter

There has been no change in the \$5.00 cost provided under Section (b) of Schedule "A".

The appropriate amendment will be before Council for consideration on January 26, 1976.

RECOMMENDATION:

- 1. THAT the amendment By-law be brought forward.
