Re: BY-LAW 6704, LOCAL IMPROVEMENTS - ORNAMENTAL STREET LIGHTING
PROJECT #75-024 - "BURNLAKE DRIVE SOUTH FROM GOVERNMENT STREET
TO U.P.L. LOT 101, D.L. 40, PLAN 44446

The subject By-Law was finally adopted by Council in August 18, 1975.

Council on September 8, 1975, after hearing a delegation from
Mr. N.A. McAskill, 8268 Burnlake Drive, adopted the following
resolution:

"As there are only seven occupied lots in the subject
Ornamental Street Lighting Local Improvement that we
do not go forward with the work in question."

Unfortunately, no action was taken at that time to delete the project
in question from By-Law 6704.

The amending By-Law to delete the item in question (2(r) from By-Law
6704 will be on the agenda for three readings on Monday night.

RECOMMENDATION:

1. THAT the amending By-Law be brought forward.
