LANDS DEPARTMENT

To: Municipal Manager  
From: Land Agent  
Subject: TRUNCATION - MORLEY STREET AND CANADA WAY  
Lot 11, Block "F", District Lot 91, Plan 1869  
(CORRIONI)

On September 23, 1974, Council authorized the acquisition of the subject truncation for the sum of \$1.00.

On May 16, 1975, a Deed of Land from the subject owners to the Municipality, covering Parcel "A" (By-law Plan 48183) of Lot 11, Block "F" of District Lot 91, Group 1, Plan 1869, was filed in the Land Registry Office under #BY 29015 (see copy of attached plan).

The subject truncation was not required when Morley Street was improved. Therefore, the owners have requested that the 10 ft. x 10 ft. truncation be returned in their names. We circulated this request to the Engineering and Planning Departments, and have received confirmation that they have no objections to the truncation being cancelled and the land returned to the owners.

We would recommend that the subject truncation be returned to the Corrionis.
