INCREASES IN WATER AND SEWER RATES

Appearing on the agenda for the June 13, 1977 meeting of Council is a letter from Mr. Gordon Woods regarding increases to water and sewer rates.

Council has received comments from staff on the type of complaint that has been received from Mr. Woods, and has adopted the position that the newly established rates are to remain in effect. Council has referred such correspondence to the Municipal Treasurer for acknowledgement, and it recommended that this practice be followed in this instance as well.

RECOMMENDATION:

1. THAT the Municipal Treasurer be requested to reply directly to Mr. Gordon Woods.
