Appearing on the agenda for the November 14, 1977 meeting of Council is a letter from the Brentwood Park Ratepayer's Association regarding parking on Delta Avenue between Lougheed and Halifax Street. Following is a report from the Municipal Engineer on this matter.

RECOMMENDATION:

1. THAT a copy of this report be sent to the Brentwood Park Ratepayers Association; and
2. THAT a copy of this report and the letter from the Brentwood Park Ratepayers Association dated October 31, 1977 be sent to the Traffic Safety Committee for information.

8 November, 1977.

TO: MUNICIPAL MANAGER  
FROM: MUNICIPAL ENGINEER  
SUBJECT: DELTA AVENUE - LOUGHEED TO HALIFAX.

Reference: the submission of the Brentwood Park Ratepayers Association dated October 31, 1977.

In answer to the comments related to the disregard of the existing "No Parking" signs on the east side of Delta Avenue, we have been advised by the R.C.M.P. that regular parking checks are continually being made and any violators of the posted signing are being issued tickets.

When checking the shoulder on the east side of the Delta Avenue hill on Monday, November 7, 1977 we noted that recent heavy rains had disrupted the shoulder to such an extent that parking off the pavement is impractical. While we will not be allowing parking on this shoulder we will be restoring the shoulder for emergency use.

In regard to the comment "enforcement of the Bylaw allowing no entrance from Delta by construction now and by future residential traffic" we would advise that we know of no Bylaw or directive that would prohibit access to the Bosa Development by construction vehicles during development. The finished development on the other hand, will be taking all its future access from Woodway Place and from a proposed Lougheed frontage road. The existing Delta Avenue will then be cancelled and developed as a park strip.

The above is for the information of Council.

RECOMMENDATION:

THAT the Brentwood Park Ratepayers Association be sent a copy of this report.

  
MUNICIPAL ENGINEER
