JANUARY 10, 1977 MEETING OF COUNCIL (ITEM 4x)  
CANADA WAY - DOUGLAS ROAD - SPROTT STREET  
REQUEST FOR SCHOOL CROSSING IMPROVEMENTS

ITEM	8
MANAGER'S REPORT NO.	3
COUNCIL MEETING	Jan. 17/77

Appearing on last week's agenda was a request from Mrs. Anne Charuk for a report on the school crossing at Douglas Road, Canada Way and Sprott Street.

As noted in the following report from the Officer in Charge, Burnaby Detachment, R.C.M.P., a written report was never prepared by the Police. The only material that was produced consisted of a sketch and some photographs which were submitted to the Engineering Department. These are available for viewing by Mrs. Charuk or anyone else who might have an interest in seeing them.

RECOMMENDATION:

1. THAT a copy of this report be sent to Mrs. Anne Charuk.

JANUARY 13, 1977

TO: MUNICIPAL MANAGER  
FROM: N.C.O. I/C BURNABY R.C.M.P. TRAFFIC OFFICE  
SUBJECT: CANADA WAY/DOUGLAS ROAD/  
SPROTT STREET

This has reference to the letter from Mrs. Anne CHARUK, through Council, requesting a copy of the police report on the Canada Way/Douglas Road/Sprott Street triangle.

Please be advised that Corporal T.E. BISHOP, after observing this area for some two weeks, submitted a number of photographs and a plan drawing to the Burnaby Traffic Engineer for consideration in methods of improving the lighting and the signing of Douglas Road and Canada Way. We did not submit a written report to Burnaby Municipality. I am sure that the sketch and the photographs could be made available by the Engineering Department to the group as this office did not keep copies for file reference.
