RE: CONTRACT #7716 - NORLAND AVENUE -
SUBGRADE AND SURCHARGE

Tenders were received up to 3:00 p.m. local time, Tuesday, the 26th day of July 1977 for the subject project.

The work includes:

Clearing	Approximately 4.5 acres
Supply, haul, place and compact hog fuel	Approximately 5,800 units
Excavate, haul and place subgrade gravel obtained from Stride Avenue pit	Approximately 26,000 cu. yds.
Excavate, haul and place surcharge gravel obtained from Stride Avenue pit	Approximately 17,000 cu. yds.
Supply and place culverts, as required	Approximately 650 lin. ft.

The work is located in a new right-of-way forming an extension of the existing Norland Avenue between Douglas Road and Laurel Street. The extension is between Laurel Street and Sprott Street.

Ten tenders were received and opened in the presence of Messrs. Williams, Nuttall and representatives of the firms bidding.

A tabulation of the tenders received is attached.

The Engineer's estimate for the project was \$286,525.00.

The low bidder, Bray Enterprises Ltd., failed to submit with their tender completed undertakings of Surety for 50% Performance Bond and also the Labour and Material Payment Bond. They also neglected to complete the Undertaking of Insurance.

RE: CONTRACT #7716 - NORLAND AVENUE -
SUBGRADE AND SURCHARGE

199

Included with their tender was the required 10% Bid Bond. All omissions have been discussed with a representative of Baker Russell and Ledgerwood Limited, the firm responsible for issuance of the Bid Bond. I have been assured that the required performance bonds and insurance are forthcoming.

The Municipal Engineer concurs with this recommendation.

RECOMMENDATION

THAT the lowest tender submitted by Bray Enterprises Limited for the sum of \$186,695.00 be accepted with final payment to be based on actual quantities and the unit prices tendered.
