(ITEM 8, MANAGER'S REPORT NO. 41, JUNE 6, 1977)

Pursuant to Council direction, following is a report from the Chief Licence Inspector concerning an application for a discotheque licence. It is not intended that a licence will be issued until Council has considered the forthcoming report from the Director of Planning on this matter.

This is for the information of Council.

TO: MUNICIPAL MANAGER  
FROM: CHIEF LICENCE INSPECTOR  
SUBJECT: LICENCING OF DISCOTHEQUES

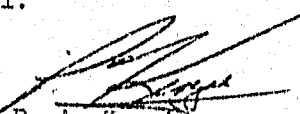

15 June 1977

At the meeting of 30 May 1977, Council directed staff to review and report on provisions of the Zoning By-law and the Burnaby Discotheque Regulation By-law as they relate to the operation of discotheques in the Municipality, and to advise Council of any proposals to establish further such facilities prior to the issuance of a licence.

On 1 June 1977 (Item 8, Manager's Report No. 41) the Director of Planning reported that staff had met with a group who were examining the feasibility of opening a discotheque in a portion of the McPherson Winter Club, 7325 McPherson Avenue. An application for a discotheque licence for this location has now been received from Mr. Harry Trarup.

Unless directed to the contrary, I do not intend to issue this licence until Council has received and deliberated staff's report on the operation of discotheques, which should be available in about four weeks.

Submitted for the information of Council.
