MANAGER'S REPORT NO.	65

Re: GYMNASTIC SOCIETY'S REQUEST FOR USE OF THE WORD "BURNABY"
IN ITS NAME

Mr. T. B. Boulanger in the attached letter dated September 14, 1977 to the Municipal Manager requests permission for use of the word "Burnaby" in a name denoting a recreational society. As approval by Council appears to be required by the Registrar of Companies, this matter is being referred accordingly.

The Parks and Recreation Administrator is favourably disposed to the use of the word "Burnaby" by bonafide organizations that operate within the community and have a mailing address in Burnaby. The Administrator has no objections to Mr. Boulanger's request.

RECOMMENDATION:

1. THAT the society's request for permission to use the word "Burnaby" in its name be approved with the understanding that the name will be "Burnaby Unified Gymnastics Society".

Mr. M. J. Shelley
Municipal Manager
4949 Canada Way
Burnaby, B.C.

Dear Mr. Shelley:

We are in the process of becoming a society called the "Burnaby Unified Gymnastics Society". We've been operating under the sponsorship of Burnaby Parks and Recreations for the past three years, as a gymnastics club with no legal status. We've been dealing with the Board through Dave Lackey.

The Provincial Government requires us to have the approval of Burnaby Council to use the word "Burnaby" in our society's name. I would be grateful if you would obtain such approval, and forward notice of this to me as soon as possible.

Thank You.

Yours truly
