RE: LETTER FROM BRENTWOOD PARK  
RATEPAYERS ASSOCIATION (JUNE 8)

This report is in answer to the letter direct to the Mayor and Council, referring to nuisance and noise on Springer Avenue by Beecher Park.

Our patrols have been made aware of the concern expressed by the Association. Members will be making extra patrols into the area; and where there is sufficient evidence, offenders will be dealt with through the judicial system.

In a separate report where Beecher Park was discussed, I elaborated upon similar concern being prevalent throughout the Municipality, more particularly during the summer months, and I assured Council we will continue with our efforts to give special attention to problem areas which have been identified.
