TO: MUNICIPAL MANAGER 24 May 1977
FROM: CHIEF LICENCE INSPECTOR
SUBJECT: VEHICLE SALES - LOUGHEED HIGHWAY

At the meeting of 9 May 1977, Council enquired concerning vehicles displayed for sale on the grass strip areas in front of Carter Pontiac Buick and Brentwood Dodge Ltd., at their Lougheed Highway locations.

Inspections of these locations confirmed use of the grass strips, which are required landscape areas and as such cannot be used for display of vehicles, other items of stock in trade or for parking. It was further determined that Rod McCallum Mercury was displaying vehicles in the same manner. In each case, the operators were requested to move the vehicles forthwith. Reinspection of these sites determined that they have complied.

Submitted for the information of Council.
