

ITEM 31 (SUPPLEMENTARY)

MANAGER'S REPORT NO. 87

COUNCIL MEETING 1978 12 11

RE: BURNABY LAKE SPORTS COMPLEX
DEVELOPMENT PLAN CONCEPT/CONSULTANT'S REPORT
(ITEM 23, REPORT NO. 87, 1978 DECEMBER 11)

Appearing on the agenda for the 1978 December 11 meeting of Council is a report on a proposed development plan for the Burnaby Lake Sports Complex (Item 23 on Page 214).

Because of the importance of the proposal, the Municipal Manager intends for it to be reviewed by a committee of staff in the immediate future (it has not yet been reviewed by either the Treasurer or the Municipal Solicitor). In the meantime, it would be in order for the proposal to be forwarded to the Parks and Recreation and Advisory Planning Commissions for discussion purposes. If the review by staff should produce any additional information that might be needed for an objective appraisal of the proposal, this will be forwarded to Council and the Commissions on a priority basis.

Incidentally, in the first line of the second paragraph on page 17 of the consultant's report, reference is made to the point where the street "lands" on the "west" side of Sperling Avenue. This should be the "east" side of Sperling Avenue.

RECOMMENDATION:

In addition to the recommendations in Item 23 on Page 214, THAT:

1. A copy of this report be sent to the Parks and Recreation Commission and the Advisory Planning Commission.
