Re: LETTER FROM MR. DONALD RANKIN ET AL
 TRAFFIC CONSIDERATIONS WITHIN A RESIDENTIAL AREA
 ADJACENT TO CANADA WAY

Appearing on the agenda for the 1978 February 13 meeting of Council is a letter from Mr. Donald Rankin and other residents residing on Rosewood, Elwell, Goodlad and 6th Streets. Their objection as noted in the correspondence relates to road closures that may be proposed as alternative solutions to traffic problems that are being experienced in this area.

The Planning Department is now completing a report on the matter that is of concern to the petitioners. This report will be referred to the Traffic Safety Committee for consideration on 1978 February 21; the results of the Committees' deliberations will subsequently be referred to Council.

RECOMMENDATION:

1. THAT a copy of this report be sent to Mr. Donald Rankin and the other petitioners with an invitation to attend the Traffic Safety Committee meeting on 1978 February 21.
