Re: LETTER FROM THE BURNABY GENERAL HOSPITAL
3935 KINCAID STREET, BURNABY
PARKING AT BURNABY GENERAL HOSPITAL

On 1978 May 29, Mr. Jack A. McCaugherty spoke to Council on the matter of a "residents parking only" designation on streets adjacent to Burnaby General Hospital. Following is one of the two motions that was passed by Council on that occasion:

"THAT this Council write to the Burnaby General Hospital Board or the Greater Vancouver Regional District regarding signing directing the public's attention to the location of the parking ramp and to the rates presently being charged for the use of the parking ramp by the public and that Council be advised of the results of the review by the Hospital Board or by the Regional District".

The letter from Mr. N. K. Barth which appears on the agenda for the 1978 meeting of Council contains information on both signing and the rates that the public must pay for parking at the garage adjacent to the Hospital.

Because comments made by Mr. Barth in his letter are directly related to statements made by Mr. McCaugherty during his presentation, it would be appropriate for Mr. McCaugherty to receive a copy of Mr. Barth's letter.

RECOMMENDATION:

1. THAT a copy of the letter dated 1978 June 12 from Mr. N. K. Barth, Administrator for the Burnaby General Hospital, be sent to Mr. Jack A. McCaugherty.
