

Re: STATUS ON VARIOUS PLANNING REPORTS THAT ARE CURRENTLY IN PREPARATION

Following is a status from the Director of Planning on three reports which are of particular interest to Council at this time.

This is for the information of Council.

\* \* \* \* \*

ITEM	15
MANAGER'S REPORT NO.	40
COUNCIL MEETING	1978 05 23

PLANNING DEPARTMENT  
1978 MAY 18

TO: MUNICIPAL MANAGER  
FROM: DIRECTOR OF PLANNING  
SUBJECT: VARIOUS PLANNING REPORTS  
CURRENTLY IN PREPARATION

Certain Planning reports of immediate current interest to the Council are nearing completion, and are expected to be advanced for Council's consideration shortly, as indicated below:

Big Bend Area	Critical Path display denoting significant events involved in implementation of the Greenall/Scott industrial area.	Report expected 1978 June 12
Burnaby Transportation Study to 1985	Demographic and traffic generation data update - Phase I report on population data and dwelling units.	Report expected 1978 May 29
Burrard Inlet Marine Park	Foreshore Reclamation Agreement	Report expected 1978 June 12

With respect to the further report that is expected on the access crossing of the CPR Right-of-Way in connection with Burrard Inlet Marine Park implementation, Council is advised that in light of new information that has been obtained, further discussions will be required with both the CPR and the CTC before the matter can be resolved. A report on this matter will be advanced to Council at the earliest possible opportunity.

This is for the information of Council.

  
A. L. Parr,  
DIRECTOR OF PLANNING.
