

RE: LETTER FROM MR. T. FABIAN,
5288 HARDWICK STREET, BURNABY
VIEWS ON TRANSPORTATION

ITEM.	16
MANAGER'S REPORT NO.	83
COUNCIL MEETING	1978 11 27

In his letter which appears on the agenda for the 1978 November 27 meeting of Council, Mr. T. Fabian offers his views on matters pertaining to transportation. It would be appropriate for this letter to be referred to the Transportation Committee for its consideration, and also, to the B. C. Hydro and Power Authority because of the specific reference to problems which are being experienced as the result of bus arrival and departure times not being synchronized.

RECOMMENDATION:

1. THAT a copy of Mr. T. Fabian's letter be referred to the Transportation Committee and to the B.C. Hydro and Power Authority.
