

RE: BY-LAW NO. 7019
 BURNABY CENTRAL PARK PARKING REGULATION BY-LAW
 (ITEM 6, REPORT NO. 1, 1977 JANUARY 10)
 (ITEM 6, REPORT NO. 9, 1977 FEBRUARY 07)
 (ITEM 17, REPORT NO. 13, 1977 FEBRUARY 21)
 (ITEM 22, REPORT NO. 32, 1978 APRIL 24)
 (ITEM 9, REPORT NO. 64, 1978 SEPTEMBER 18)
 (ITEM 24, SUPPLEMENTARY REPORT NO. 74, 1978 OCTOBER 23)

On 1978 November 20, Council did not give reconsideration and final adoption to the subject by-law because a question was raised as to whether it contained a provision which would limit the amount of time that a vehicle could be parked in designated areas within the park. The Clerk has subsequently distributed a copy of the by-law to all members of Council for their information.

The recommendations adopted by Council on two previous occasions are as follows:

A. 1978 October 23
Item 24, Supplementary Report No. 74

- "1. THAT the By-law be brought forward; and
2. THAT the British Columbia Telephone Company be notified when the By-law has been adopted; and
3. THAT a copy of this report be sent to the Parks and Recreation Commission."

B. 1977 February 21
Item 17, Report No. 13

- "1. THAT Council authorize the Municipal Solicitor to prepare a by-law controlling parking in the Central Park lots in accordance with the regulations outlined in this report; and
2. THAT the by-law be submitted for approval to:
 - (a) The Burnaby/Vancouver Parks and Recreation Committee and, through this Committee, to the Vancouver Board of Parks and Recreation and the City of Vancouver.
 - (b) The Province of British Columbia; and
3. THAT the B.C. Telephone Company be notified when the by-law is adopted."

Following are the regulations referred to in the first recommendation above:

- (a) Parking is to be for patrons of the park only, while within the confines of the park.
- (b) Maximum parking time is to be three (3) hours.
- (c) Regulations are in effect Monday through Friday from 7:00 h to 13:00 h.
- (d) Penalties for infractions to include ticketing and/or towing away.

The Parks and Recreation Commission approved regulations a, b, c, and d as noted immediately above on 1977 February 16.

It is apparent that the by-law as prepared and considered by Council on 1979 November 27 does not contain all of the specific regulations that were intended: items (b) and (c) were inadvertently omitted.

It is not known exactly why the references to a specific time limit were not included in the by-law that Council was asked to consider last week. It was obviously an oversight, and one for which we apologize.

RECOMMENDATIONS:

1. THAT the by-law be brought forward.
2. THAT a copy of this report be sent to Mr. Edward Russell, 3785 Nithsdale Street, Burnaby, B.C. V5G 1P4 whose letter appears on the agenda.
3. THAT a copy of this report be sent to the Parks and Recreation Commission.
