

ITEM 15
MANAGER'S REPORT NO. 50
COUNCIL MEETING 1978 07 04

Re: ENCROACHMENT OF A STRUCTURE ON THE PROPOSED
STANLEY STREET RIGHT-OF-WAY
LOT 2, D.L. 87/89/90, PLAN 1672
6290 SIXTH STREET (EISKAMP)
(Item 2, Manager's In-Camera Report No. 13, 1978 02 13)

On February 13, by adopting the recommendations included in Item 2, Manager's In-Camera Report No. 13, the Municipal Council approved of the settlement with Mr. Eiskamp to allow us to clear the proposed Stanley Street right-of-way.

The Land Agent now advises that this matter has been concluded, in that the necessary documentation and payments have been made, and the land is now in the Corporation's name under title BY88811E.

We now require authority to demolish the building which encroaches on the Stanley Street right-of-way.

RECOMMENDATION:

1. THAT authority be given to demolish the building.
