TO: MUNICIPAL MANAGER 1979 MAY 09  
 FROM: DIRECTOR OF PLANNING  
 RE: PROPOSED CLOSURE OF A PORTION OF LANE EAST OF FULTON AVENUE  
 BETWEEN HOLLY STREET AND VISTA CRESCENT  
 R.C. REFERENCE #5/78 - D.L. 30

RECOMMENDATION:

1. THAT Council authorize the preparation and introduction of a Road Closing Bylaw for that portion of lane lying east of Fulton Avenue between Holly Street and Vista Crescent in order to facilitate consolidation of the parking area for the Eastburn Community Facility.

REPORT

The subject lane allowance lies within the designated parking area (which is owned by the Corporation) for the Eastburn Community Facility (see attached sketch). In order to expedite the consolidation of this parking area, it is necessary to close this allowance at this time and effect the remaining closures at a future date, due to the fact that construction will be taking place in the near future. It is also noted that the first phase consolidation has been registered for the Community Facility itself.

There are no services located within this area which would affect the closure.

Therefore, in order to proceed with this project, the closure of this lane allowance should proceed immediately, with the remaining closure areas to be advanced at a later date.
