N

 THAT the lowest tender in the amount of \$101,027.50 submitted by H. Seifert Trucking Limited, be accepted with final payment to be based on the actual use and hourly rates tendered.

## REPORT

Tenders for the supply and operation of dump trucks were received up to 1500 h local time, on 1979 December 11th.

The contract involves the supply and operation of trucks for Municipal purposes from 1980 January 2nd to 1981 January 2nd.

The tenders, it should be noted, are for the rental of dump trucks that will be supplied to the Municipality on an as, if and when required basis.

When peak demands for trucks exceed the capacity of the existing Municipal Fleet to perform required work, it has been our practice to rent both tandem and single axle trucks.

Two (2) tenders were received and opened in the presence of Messrs. Constable, Hagen and representatives of the firms bidding.

A tabulation of the tenders received is attached.

The schedule of approximate quantities coupled with the unit prices tendered by the low bidder, H. Seifert Trucking Limited, is as follows:
