(ITEM 7, REPORT NO. 62, 1979 SEPTEMBER 17)

RECOMMENDATION:

1. THAT this report be received for information purposes.

REPORT

The purpose of this report is to advise Council that the sketch which accompanies Item 7 on Page 125 is incorrect. The correct sketch is attached to this report.

Item 7 was prepared by the Manager solely for the purpose of giving Council background information on the subject by-law because over a year has elapsed since the matter was last considered. As noted in the report, this matter is before Council again because necessary consents have now been obtained from adjoining property owners.

Staff regrets any inconvenience that may have been caused by submission of the incorrect sketch when the agenda was distributed last week.
