TO: MUNICIPAL MANAGER 79 02 13
FROM: MUNICIPAL ENGINEER
SUBJECT: MUNICIPAL EASEMENT EAST HALF OF LOT 6, BLK. "H",
D.L. 127, 5116 FRANCES STREET

RECOMMENDATIONS:

1. THAT the Municipal Solicitor be directed to make the arrangements necessary to effect discharge of the easement, and,
2. THAT the Mayor and Municipal Clerk be authorized to sign the necessary documents.

REPORTS

The Engineering Department received a request from the owner of the subject lot to discharge the Municipal easement over that lot.

The easement was acquired for the purpose of a Municipal drainage ditch; the drainage is now contained in a storm sewer which makes this easement redundant and the Department is of the opinion the easement will not be required for any future Municipal purpose.
