REPORT

Appearing on the agenda for the 1979 April 23 meeting of Burnaby Council was a letter from Mr. Paul Manning concerning the once suggested 25th Avenue bus route between U.B.C. and the Burnaby Municipal Hall.

The Planning Department would advise that the suggested transit routing along 25th Avenue in Vancouver to the Burnaby Municipal Hall is currently being reviewed along with other route improvements in Vancouver, Burnaby and other municipalities in the region, by G.V.R.D. staff under the Short-term Transit Improvement Plan in connection with the longer term Rapid Transit Project.
