Appearing on the agenda for the 1980 February 11 meeting of Council is a letter from Mr. James G. Lorimer, M.L.A., regarding a bus shelter location. Following is a report from the Municipal Engineer on this matter.

TO: MUNICIPAL MANAGER 80 02 04
 FROM: MUNICIPAL ENGINEER
 SUBJECT: REQUEST FOR BUS SHELTER - SUSSEX AND RUMBLE

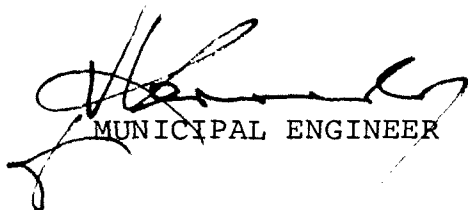

RECOMMENDATION:

1. THAT Mr. James G. Lorimer, M.L.A., Burnaby-Willingdon, 19 - 4429 Kingsway, Burnaby, B.C., V5H 2A1, be sent a copy of this report.

REPORT

The attached list of proposed bus shelter locations, approved by Council, shows northbound Sussex farside Rumble at position #27. Of the non-commercial locations (commercial are asterisked), this location would rank as eight in the list of priorities (#18 currently has a shelter installed), due to the existence of the Fairhaven Senior Citizen Housing in the vicinity.

While we have a list of approved non-commercial shelter locations we have not, as yet, established a program for their installation. As noted in Manager's Report No. 7, Item 7, 80 01 28, we expect to present a program to Council within two months, with installation of approved shelters to follow as soon as possible thereafter.
