RE: 1980 CANADIAN OLYMPIC TEAM

A short time ago, I received a letter from the Canadian Olympic Association urging that tribute be paid in some way by our community to the Burnaby Members of the 1980 Canadian Olympic Team who "would have gone" to the Moscow Games if it were not for the abnormal circumstances at the time.

In response to this request, I would advise Council that I took the opportunity of recommending to the Burnaby Chamber of Commerce that our athletes be suitably recognized at the Chamber's Second Annual Sport Recognition Dinner in the Sheraton-Villa Inn on Thursday, November 13th, with the cost of the dinner tickets at \$30. each to be absorbed by the municipality.

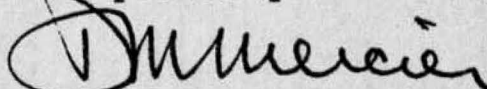

Arrangements were then made for the preparation of Certificates of Appreciation to be presented by myself on behalf of the Municipal Council and citizens of Burnaby, together with a Burnaby Lapel Pin.

The names of the 1980 Canadian Olympic Team Members in the Burnaby area are as follows:

Jeremy Abbott	-	Canoeing
Hugh Fisher	-	"
Alwyn Morris	-	"
Ina deLure	-	Rowing
Debbie Brill	-	Track & Field
David Steen	-	"
Margaret Savage	-	Swimming

This is for the information of Council.

Respectfully submitted,

David M. Mercier,
