

RE: SLIDE PRESENTATION/UPDATED PLAN FOR THE LOWER MAINLAND OF BRITISH COLUMBIA
(ITEM 4, REPORT NO. 21, 1980 MARCH 17)

RECOMMENDATION:

1. THAT this report be received for information purposes.

REPORT

On 1980 March 17, Council adopted the following recommendations in connection with a report on a GVRD Draft Plan for the Lower Mainland of British Columbia:

- "1. THAT Council recommend the adoption of the proposed amendments to the Draft Plan for the Lower Mainland as outlined on Maps "B" and "C" attached to the Director of Planning's Report; and
2. THAT Council concur with the remainder of the Draft Plan as proposed; and
3. THAT a copy of this report be sent to Mayor Tonn, Chairman, GVRD Planning Committee, 2294 West 10th Avenue, Vancouver, B.C., V6K 2H9

Arising out of Council's discussion of this subject, the following motion was adopted:

THAT the Director of Planning's report be amended to read 'Limited' as per the plan of the Greater Vancouver Regional District for the Lower Mainland of British Columbia for the Deer Lake Area."

Mr. Richard Taylor of the GVRD Planning Department will be in attendance at the meeting on June 02 to present to Council a 25 minute slide presentation on the updated plan for the Lower Mainland of B.C. The intent is to simply give Council an appreciation for the Plan in its existing state of development, and to answer any questions Council may have before it is developed further for eventual adoption as the official plan for our regional area.

It is suggested that Mr. Taylor should be requested to give his slide presentation after the meeting on Monday. It is anticipated that approximately 35 minutes will be required for both the slide presentation and answering of any questions that Council may have on this matter.
