

THE CORPORATION OF THE DISTRICT OF BURNABY

TRANSPORTATION COMMITTEE

HIS WORSHIP, THE MAYOR  
AND MEMBERS OF COUNCIL

Madam/Gentlemen:

REPORT OF THE TRANSPORTATION COMMITTEE

1. 7702 Boundary Road

Recommendation:

"THAT the Municipal Engineer be directed to advise Mr. and Mrs. C.A. Nelson, 7702 Boundary Road, Burnaby, that their trees located on the Boundary Road right-of-way must be removed to allow for construction of the frontage road and that upon completion of the works adjacent to their property, the Municipality will be replanting trees."

R E P O R T

At the Transportation Committee meeting held on 1980 April 10, Alderman W.A. Lewarne advised the Committee of Mr. and Mrs. C.A. Nelson's desire to retain their trees located on the Boundary Road right-of-way.

The Transportation Committee reviewed the feasibility of reducing the frontage road width, cul-de-sac of the frontage road etc. which would allow for the retention of the trees. However, your committee is of the opinion that these measures would hinder emergency access to the residents abutting the frontage road and that the standard for the frontage road must not be altered.

Respectfully submitted,

Alderman W.A. Lewarne,  
Chairman

Alderman G.D. Ast,  
Member

Alderman D.N. Brown,  
Member

Mr. G.W. Ramsell,  
Community Group Representative

Mr. R.W. Tarling,  
Community Group Representative
