ITEM 9
MANAGER'S REPORT NO. 31
COUNCIL MEETING 1980 04 21

Four (4) tenders were received and opened in the presence of Messrs. Constable, Hagen and representatives of the firms bidding.

A tabulation of the tenders received is attached.

122

As you are aware, asphaltic supply contracts are not simply selection of the apparent low tender. It is necessary to consider truck hauling distances and resultant costs in order to determine which Supplier would best serve the Corporation's interest. For this reason, bidders are required to state locations of asphalt plants for use under this Contract.

Plant locations noted on the tenders were as follows:

<u>NO.</u>	<u>COMPANY</u>	<u>LOCATION</u>
1.	S&L Paving Limited	- 22 Leeder Avenue, Coquitlam, B.C.
2.	Winvan Paving Limited	- 430 Edworthy, New Westminster, B.C.
3.	Jack Cewe Limited	- 1850 Hillside Avenue, Coquitlam, B.C.
4.	Columbia Bitulithic Limited	- 2300 Roger Avenue, Coquitlam, B.C.

Staff from the Engineering Department have taken into consideration travelling distances to the various plants.

A combination of the schedule of approximate quantities coupled with the unit prices submitted by the low bidder, Winvan Paving Limited is as follows:
