

Re: 1980 INTERNATIONAL PUBLIC WORKS CONGRESS AND EQUIPMENT SHOW
KANSAS CITY, MISSOURI
1980 SEPTEMBER 13 - 18

RECOMMENDATION:

1. THAT the Municipal Manager be authorized to attend the 1980 International Public Works Congress and Equipment Show in Kansas City, Missouri from 1980 September 13 to 18.

REPORT

Each year the American Public Works Association sponsors the International Public Works Congress and Equipment Show, a six-day meeting featuring a wide range of presentations on current public works activities and problems, from both technical and managerial viewpoints. The Equipment Show boasts the largest and most diversified display of public works equipment and supplies annually assembled under one roof. The Show provides a unique opportunity for members to examine new equipment and compare the relative merits of various products.

The Municipal Manager has been scheduled to preside at an afternoon session which features panelists who will discuss Team Building.

The approximate cost of attending the Congress would be:

Registration	= \$100 (U.S.)
Accommodation - \$35 x 5	= \$175 (U.S.)
Transportation	= \$414.50
Per Diem - \$20 x 5	= \$120 (U.S.)
