

ITEM	SUPPLEMENTARY	23
MANAGER'S REPORT NO.		48
COUNCIL MEETING	1980 07 21	

RE: 1980 LOCAL IMPROVEMENT PROJECT (FELL AVENUE)
(ITEM 15, REPORT NO. 48 WHICH APPEARS ON PAGES 167-170
OF THE AGENDA FOR THE 1980 JULY 21 MEETING OF COUNCIL)

Following is a further report from the Municipal Engineer on a proposed Local Improvement Project for Fell Avenue.

The Solicitor has advised that if we want to be risk free and strictly within the Municipal Act, that we should reinitiate the entire project.

RECOMMENDATION:

1. THAT the recommendations of the MUNICIPAL ENGINEER be adopted.

TO: MUNICIPAL MANAGER 80 07 21
FROM: MUNICIPAL ENGINEER
SUBJECT: 1980 LOCAL IMPROVEMENT PROJECT (FELL AVENUE)

RECOMMENDATIONS:

1. THAT Recommendations Nos. 8 and 9 be withdrawn from the Engineer's report, Item 15, Manager's Report No. 48, Council Agenda 80 07 21.
2. THAT the work on Project 79-040, Fell Avenue, Hastings Street to Dundas Street, NOT proceed.
3. THAT the Municipal Treasurer file a revised Cost Report to Council reflecting the cost of the revised project on Fell Avenue.
4. THAT a new project be initiated on Fell Avenue with the limits of Hastings to Dundas and the works to be 11 m pavement from Hastings to Pandora and 8.5 m pavement Pandora to Dundas, with curbswalks both sides, storm sewers and trees as required.

REPORT

Further to the Engineer's report on the captioned subject, Item 15, Manager's Report No. 48, Council Agenda 80 07 21, we would like to provide Council with additional information and withdraw Recommendation Nos. 8 and 9.

It is the Municipal Solicitor's opinion to accomplish the desired standard of work on Fell Avenue the project should be completely reinitiated as opposed to utilizing Section 667 of the Municipal Act.
