R E P O R T

Arising out of discussion at the 1980 September 15 Council Meeting, the Planning Department was requested to provide information regarding the type of liquor license associated with the subject liquor facility and the permitted hours of operation.

The Planning Department advises that the subject facility is licensed as a Class "A" establishment which may be issued to hotels, resorts, clubs, recreational centres, aircraft, trains, cultural centres, etc. Pursuant to the regulations of the Liquor Control and Licensing Act, the hours of operation are subject to Section 17(1)(e) which reads as follows:

(e) Notwithstanding paragraph (d), liquor may be sold and consumed in establishments licensed as recreational centres or Provincially or municipally owned cultural centres or clubs, but

- (i) only between the hours of 12 noon and 10 p.m. on Sundays; and
- (ii) only if a regular meal service is provided during the hours which liquor is being sold or consumed;
- (iii) notwithstanding section 14, no entertainment shall be allowed on Sunday unless approved by the general manager.

Upon discussing this facility with the Provincial liquor licensing authorities, we would confirm that the General Manager of the Liquor Control Licensing Branch has permitted liquor to be dispensed on Sundays between 12:00 noon and 22:00h.
