 WILLINGDON HEIGHTS NEIGHBOURHOOD IMPROVEMENT PROGRAM
 (ITEM 13, REPORT NO. 85, 1979 DECEMBER 17)
 (ITEM 2, IN-CAMERA REPORT NO. 86, 1979 DECEMBER 17)
 (ITEM 10, REPORT NO. 9, 1980 FEBRUARY 04)
 (ITEM 2, IN-CAMERA REPORT NO. 10, 1980 FEBRUARY 04)

Appearing on the agenda for this meeting of Council is a report on the proposed establishment of a mini-park in Willingdon Heights. The following two recommendations are contained on page 124 of the report:

- "1. THAT when the Phase I properties have been acquired, Council authorize their rezoning to P3 for park development; and
2. THAT Council authorize the closure of the adjacent portion of the MacDonald Avenue right-of-way for inclusion in the park development."

The In-Camera agenda contains a recommendation which, if adopted, would authorize negotiations for the properties that would have to be acquired for completion of the first phase of the project.

Council is requested to consider these recommendations in a sequence that corresponds with the order in which actions would be carried out if the project proceeds, as follows:

RECOMMENDATIONS:

1. THAT Council authorize the Legal and Lands Department using Neighbourhood Improvement Program funds to negotiate the acquisition of firstly, 630 MacDonald Avenue (D.L. 116, Lot B, S.D. 1, Block 4, Plan 19144) and secondly, 624 MacDonald Avenue (D.L. 116, Lot A, Block 4, Plan 19144); and
2. THAT when the Phase I properties have been acquired, Council authorize their rezoning to P3 for park development; and
3. THAT following completion of recommendations 1 and 2, Council authorize the closure of the adjacent portion of the MacDonald Avenue right-of-way for inclusion in the park development.
